Draycott Avenue

alicekemperley • Today we hosted about 50 lovely ladies in our London store in our @temparylondon Draycott Avenue.
Followed by a lunch over the road in Daphne's. They laughed at me when I arrived from my early drive from Somerset looking for my hair brush and with mud on my boots.
(think they liked it really ...)

We also made sure to say how incredibly privileged we are to be able to meet like this in safety, knowing how fragile the world we live in is at this moment.

We must all do we can to help those in need today 🙏
Feel much more comfortable about going away after our super success today. It was a really lovely day and we were so lucky when @sundayhouse got all the new designs. I will do more when I am back and our drop off point in Ilminster is the size of a full lorry load.

allceterperley • Thank you to everyone who's been so positive and welcoming with our first interior collection with our new Partnership @romo_fabrics - I have met so many lovely new people!

Many have asked where they can see the collection. You can see it online with a list of all global stockists... AND all the sample books and swatches are in our own London and Somerset stores (Draycott Avenue and @proenludiosomerset).

If you need help the team can assist with orders for a 48 hour delivery to your house.

In Somerset the bar is now also open as a coffee shop on Fridays and Saturdays from 10 am.

I will be offering my help on some Saturdays (like being a Saturday shop girl...) so if you need any advice with our collection - pls book in with sephie@temperleylondon.com xxx
